Interview Summary

Commissioner for Patents
Box NON-FEE AMENDMENT
Washington, D.C. 20231

On November 25, 2002, Applicant's representative conducted a telephone interview with Examiner Gonzalez to point out the fact that claims 19-33, which were added via a Supplemental Amendment (attached) filed September 05, 2002, were not addressed in the October 29, 2002 Office Action. Examiner Gonzalez stated that he had not received the supplemental amendment.

On November 26, 2002, Applicant's representative sent, via facsimile, a copy of the Supplemental Amendment, along with a copy of the filing receipt, to Examiner Gonzalez. (This copy of the filing receipt is also attached.)

On December 06, 2002, Applicant's representative conducted a second telephone interview with Examiner Gonzalez where it was agreed that the Supplemental Amendment would be entered, and claims 19-33 would be examined. During this telephone interview, it was also agreed that any next office action would **not** be a final office action.
